COMPANY OVERVIEW

INTRODUCTION

Amay Exiim Inc, helmed by CEO and Managing Director Mr. Kulin Shah, boasts 30 years of timber industry expertise. Headquartered in Canada for streamlined global coordination, the company's core operations thrive in Brazil's rich forests.

With a robust international presence spanning Asia, India, the Middle East, and Southeast Asia, Amay Exiim Inc excels in meeting diverse market demands. Committed to quality and eco-conscious practices, it offers responsibly sourced Eucalyptus Grandis logs, prized for durability and versatility, harvested under stringent oversight in Brazilian forests.
